

"Dear lover of freedom,

This leaves
us with two questions:
IS the Riddler at
large in our nation's
capital?

And more importantly:
Why hasn't this president
installed a Bat signal
in the White House?!!

It's all right here... the "Committee of the Whole"
was another name for the Constitutional Convention;
and... the "Conglomerate of Compromises" was a
term used by some for... **GASP!!**
